

## **Do I Need Anything Else To Make It Work Remotely**

Nest Connect is included in the box when you purchase the lock. You won't need to purchase anything else to make your lock work or control it remotely.

## **How Does It Work With Other Nest Products**

The Nest x Yale Lock works together with the Nest Secure alarm system to make coming home easy. You can enable an option in the Nest app to disarm your alarm when your door is unlocked.

## **Can I Use Voice Assistants to Lock and Unlock the Door**

Voice control features will not be available right away after the Nest x Yale Lock is released, but we're working to incorporate voice technology and will continue to explore how voice control can safely enhance security in homes.

## **Battery Life**

Your lock uses 4 AA batteries which will last approximately one year with normal usage. Continuous warnings starting approximately 5 weeks before the batteries must be replaced.

## **Warranty**

Electronic Warranty – 2 Year, 3 Year if installed by a Nest Pro, or an AA Medico Security Center (MSC) Professional

Mechanical Warranty – Limited Lifetime

Finish Warranty – Limited Lifetime
