Simply tap to (un)lock with Yale Dot®

Say goodbye to the hassle of losing keys or fumbling for them on your doorstep.

The Yale Dot® is the perfect addition to your Yale Smart Lock, Smart Opener, Smart Code Handle or Smart Cabinet Lock. With a simple tap of your phone on your Dot®, you can effortlessly unlock or lock your front door, gate, garage, windows or cabinet. Connect it to Wi-Fi and tap your Yale Dot® from anywhere, or use it via Bluetooth to allow trusted visitors to unlock it when nearby. Keyless convenience tailored to your needs.

Simply tap to (un)lock

Lock and unlock your Yale Smart Lock, Smart Opener Smart Code Handle or Smart Cabinet Lock with a simple tap of your phone on your Yale Dot®.

Keyless experience

Owners can unlock or lock from anywhere by tapping on the Yale Dot®. They can also place it outside their home to let trusted visitors in.

Multiply convenience

Place up to 5 Dots® strategically around your home to remotely control your accesses with a single tap.
